High School EAA Scholarship

Applications have been sent to the area schools along with reminders. We did not get any applicants. Next year we can look at the wording and see if we can make it more broad, so to get more interest.

Young Eagles Coordinator / Event (August 21)

Cindy finished the required training online to become the coordinator. Ryan will get his in soon. Cindy will send for information about the seminar she watched. She found out that if parents sign the form, grandparents can bring the kids.

Hamburger (Fish-Fry) Fly-In

Tim Salzwedel said the dates we wanted have been set. They will be June 3 and Aug 5th from 5-7pm. Set up will be between 2:30 and 3m. Tim took the class about how to serve in the present times. We will need more help now, because people will have to be served - they can't serve themselves.

Ray Aviation Scholarship 2021

Tim took the course. Ryan Schultz has applied for the scholarship. Tim will get together with Dave about it.

Chapter Video

Charlie Becker pointed out that chapter group camping is open until June 25 to sign up. You can use up to 6 sites.

The chapters can have a fundraiser pancake breakfast if they want to. They go from 6am – noon. There would be about a \$2000 profit for the chapter that does it.

The chapter pavilion is available to reserve for your group.

The Blue Barn is inviting any chapter with a build and fly to bring their projects and fly them.

The Blue Barn is looking for volunteers during AirVenture. Apply by June 11.

Encourage people to go online and fill out the form to say what you are most anticipating at 2021 AirVenture.

June 12 is international Young Eagle day. Online registration is being beta tested right now. You will be double YE credits for June, July and August YE rallies.

NEW BUSINESS

Request for assistance with flying yourh and STEM/presentation in Tomah May 15

Laura from Tomah contacted Vonda. She was contacted by a youth group in Viroqua on May 15. They were planning to do it in Tomah, but the Tomah group is not with EAA. She wonders if some of us can help fly on May 15. Also if anyone would be willing to present information about what it is like to be a pilot, or exciting things about being a pilot, that would be appreciated as well. Maybe Dave could do a stem cell presentation as well, if that would be possible for him. Abby and Brian said they would help if they can. Connor was volunteered to help also. The flights would be a 5pm for a dozen boys aged 6-13.

ADDITIONAL MATTERS

Skydiving

The Reedsburg airport says they are not doing skydiving this year. Next year is a possibility.

A motion was made by Tom Chudy, seconded by Tim Salzwedel to adjourn at 9:22pm. Motion carried by member vote.
